XLERATOR® HAND DRYER

500 WATTS. 10 SECONDS. NO HEAT.

NEW ENHANCED STANDARD FEATURES

- Adjustable Speed and Sound Control
- Multi-Voltage Options: 110-120V, 208-277V
- Externally Visible Service LED

10 SECONDS* dry time

95% COST SAVINGS versus paper towels

80% LESS ENERGY than conventional dryers

NEW ENHANCED STANDARD FEATURES

80% LESS ENERGY than conventional dryers

NEW ENHANCED STANDARD FEATURES

80% LESS ENERGY than conventional dryers
XLERATOR® HAND DRYER

MODELS: XL - BW  W  GR  C  SB  SI  SP - ECO OPTIONS: -1.1N (Noise Reduction Nozzle) -H (HEPA Filter) -V (VOLTAGE) (See Chart)

TESTED TO PCR GUIDELINES

DRY TIME: 10 SECONDS*
ENERGY PER USE: 1.7 Wh*

FEATURES & BENEFITS

- 80% Less Energy Than Conventional Hand Dryers
- 95% Cost Savings Vs. Paper Towels
- Made In USA Certified*

OPTIONS

- HEPA Filtration System: Filters 99.97% of bacteria at 0.3 microns from the air stream.
- 1.1 Noise Reduction Nozzle: Lowers decibel level 9 dB by reducing air deflection noise but increases dry time by approximately 3 seconds.

ACTIVATION

Automatic Sensor Operated

MOUNTING

Surface Mounted

SUGGESTED MOUNTING HEIGHTS

Men 45" (114 cm)  Women 43" (109 cm)  Accessible 37" (94 cm)
Note: Heights measured from floor to bottom of dryer.

ACCESSORIES

- Anti-Microbial Wall Guards
- XChanger Paper Towel Dispenser Retrofit Kit
- ADA-Compliant Recess Kit

UL Environment published the first global Product Category Rules (PCR) for Hand Dryers and Excel Dryer is proud to have been selected to chair the project. The PCR created evaluation methods through industry consensus that compare products’ environmental impact and performance. Third party testing results then enable specifiers and buyers to make a true apples-to-apples comparison of products and more informed decisions.

NOTE: Drawing 4.5 Amps or less allows for the installation of multiple XLERATORreco units on one circuit, significantly reducing installation costs and creating a return on investment of less than one year.

** Special Paint powder-coated covers are available in many colors and textures.
*** Exclusive digital image technology allows for the addition of company, school or team logos with any color, design or a ‘green message’. 

* Dry time and energy use testing performed by SGS International on standard XLERATORreco Hand Dryer with 0.8” nozzle to 0.25g or less of residual moisture, pursuant to the UL Environment Global Product Category Rules (PCR) for Hand Dryers.
